Institute Approved Recognition

We are delighted to inform you that **Programme in Equity, Inclusion & Organisational Diversity (Inclusive Curriculum Leadership)** has been approved and meets the Institute of Leadership & Management standard. This additional programme falls under the terms and conditions in your original Institute Approved contract dated 28th August 2020.

The programme has been recognised as supporting improved leadership practice and the programme content, learning materials and approaches have been assessed to be current, relevant and of a high quality, supporting and attracting the diverse needs of learners.

The programme has been recognised as a pathway grading to the following Grades with The Institute of Leadership & Management on completion, providing learners with professional recognition related to their leadership learning and an ongoing commitment to continue to develop as effective leaders and to inspire others to achieve excellence.

Associate Grade upon completion of Modules 1,2 and 3

Member Grade upon completion of Modules 1,2,3 and 5

Member with invitation to Fellow Grade upon completion of Modules 1,2,3,4 and 5

Our approval process has highlighted a number of components within MyLeadership resources that have been directly mapped to your programme and could be incorporated:
